

On **Friday 15th November 2019** it is **Children in Need** day. This year's appeal is all about getting together to change lives and here at West Jesmond Primary School, we would like **all children** and staff to **come to school in something (or everything!) spotty** and wearing their Pudsey ears if they wish. We would ask for a suggested donation of £1 in support of this year's BBC Children in Need appeal.

In addition to a non-uniform day; **School Council will be holding bake sales after school on Friday 15th November in the Undercroft – in the KS2 playground and in the Year 3 playground**, to raise even more money for this worthy cause. For this event we are asking for **bake donations from KS2 children only**. These can be **brought into school on the Friday morning please**. Healthy bakes welcome too! Please label any allergen information on your home bakes.

As a healthy school we are also hoping to take part as a school in the **Big Morning Move with Joe Wicks** at some point during the school day, so please bear this in mind when considering your outfit! You will need to be able to move!

Finally, as in previous years, we will also be **selling small items of Children In Need merchandise in classrooms all week from 11th-15th November**. All children will have the chance to purchase something in support of the charity should they wish to. More information on items for sale and pricelists will follow after the half term holiday.

Thank you for your continued support.
