

Dear Year 1,

We are writing to see how you all are - we are missing being in school and seeing you each day. We hope you have been enjoying the activities we have put on the school website. If you'd like you can share these to our Facebook and Twitter feeds - we'd love to see what you've been up to.

Next week you might want to try reading your favourite book and writing or recording a short review. You could even share your review on our Facebook or Twitter page. We would have been doing capacity and volume in Maths this week so you could maybe try this task below at home. You can find support for this task on <https://whiterosemaths.com/homelearning/year-1/> Please see the video "Lesson 4 - Introduce Capacity and Volume".

Always, Sometimes, Never?

The tallest container holds the most liquid.

Identical containers can have a different capacity.

Show me.

We have been doing some reading at home. We would like to recommend these books for you. Miss Condliffe - James and the Giant Peach by Roald Dahl, Miss Whitten - The Hodgeheg by Dick King-Smith. These might be available on Audible which is free at the moment.

We hope you are staying safe and well.

From Miss Condliffe, Miss Byatt, Miss Whitten, Mrs Robinson, Mrs Young and Mrs Masri
