Days of the Week

Friday

Thursday

Wednesday

Saturday

Tuesday

Sunday
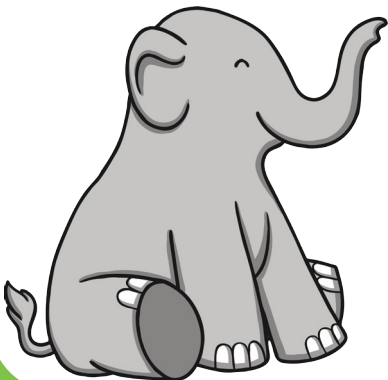

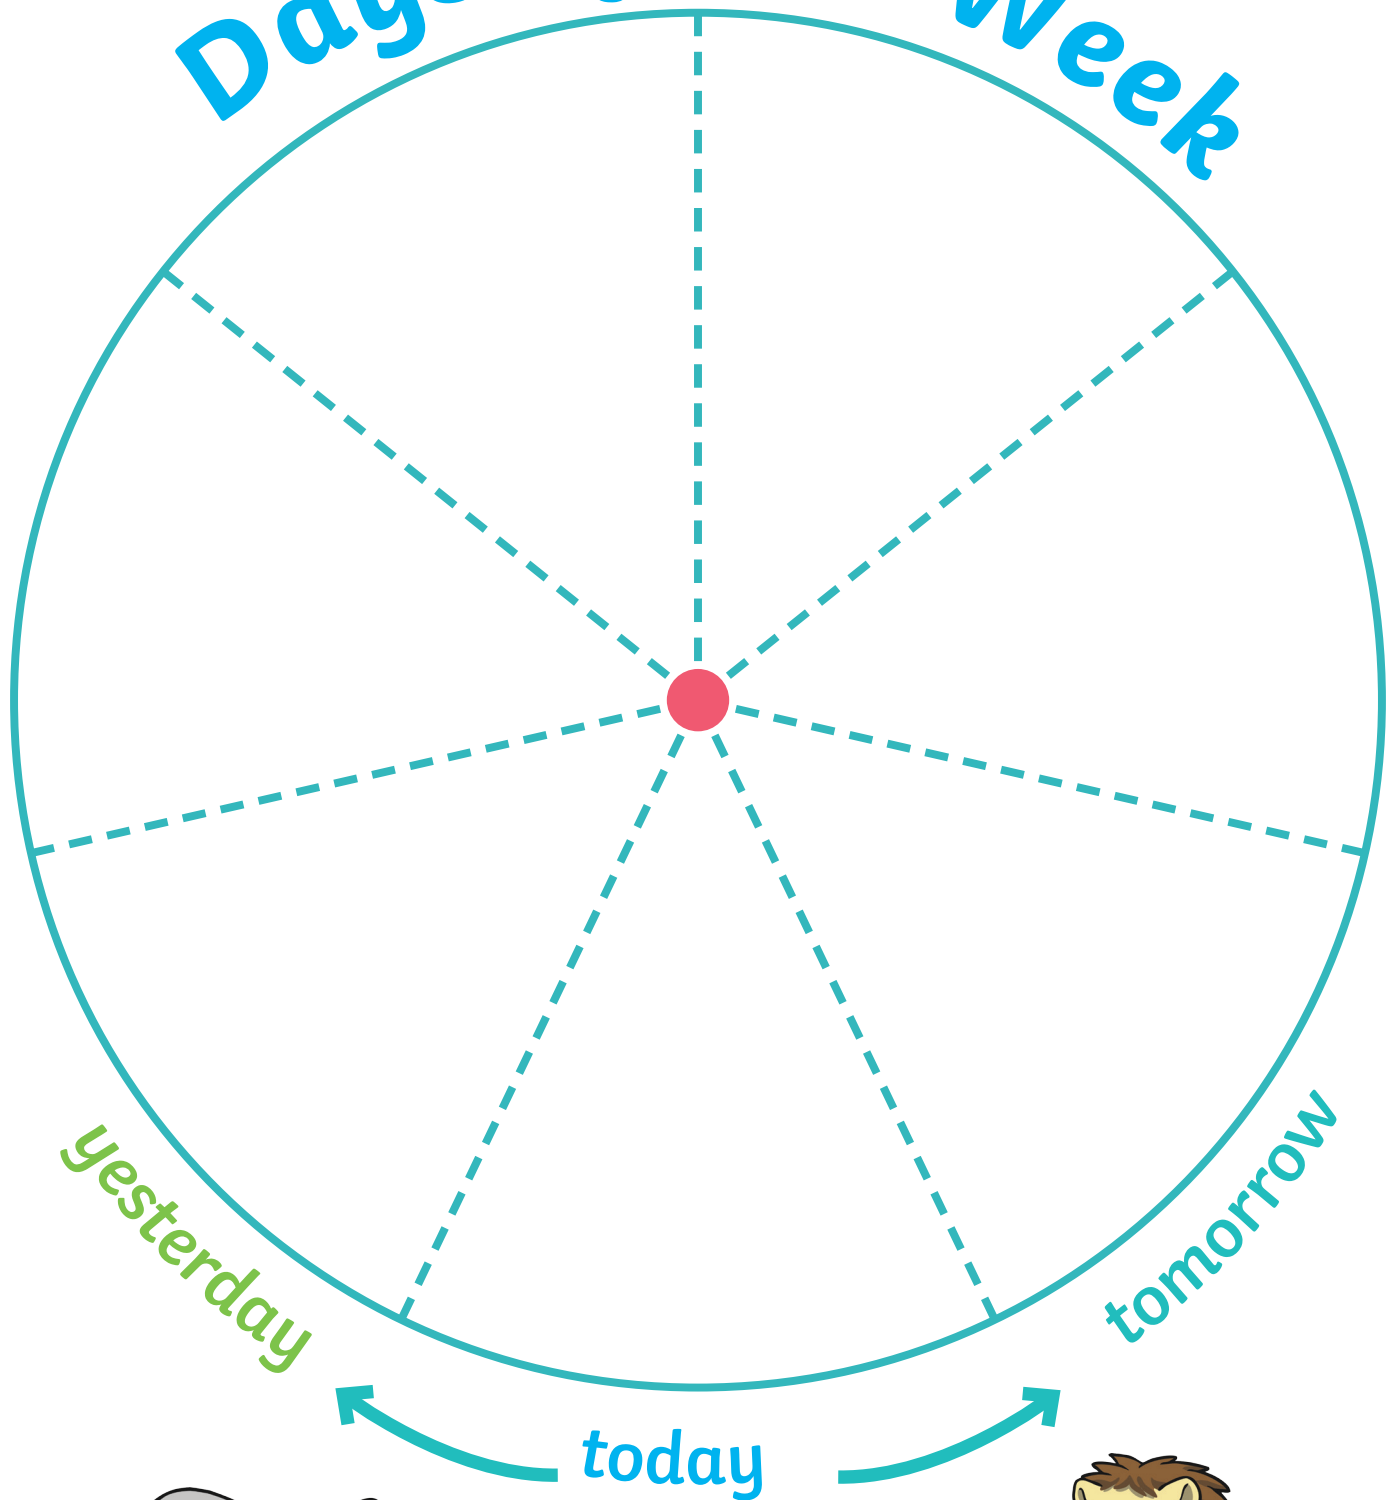

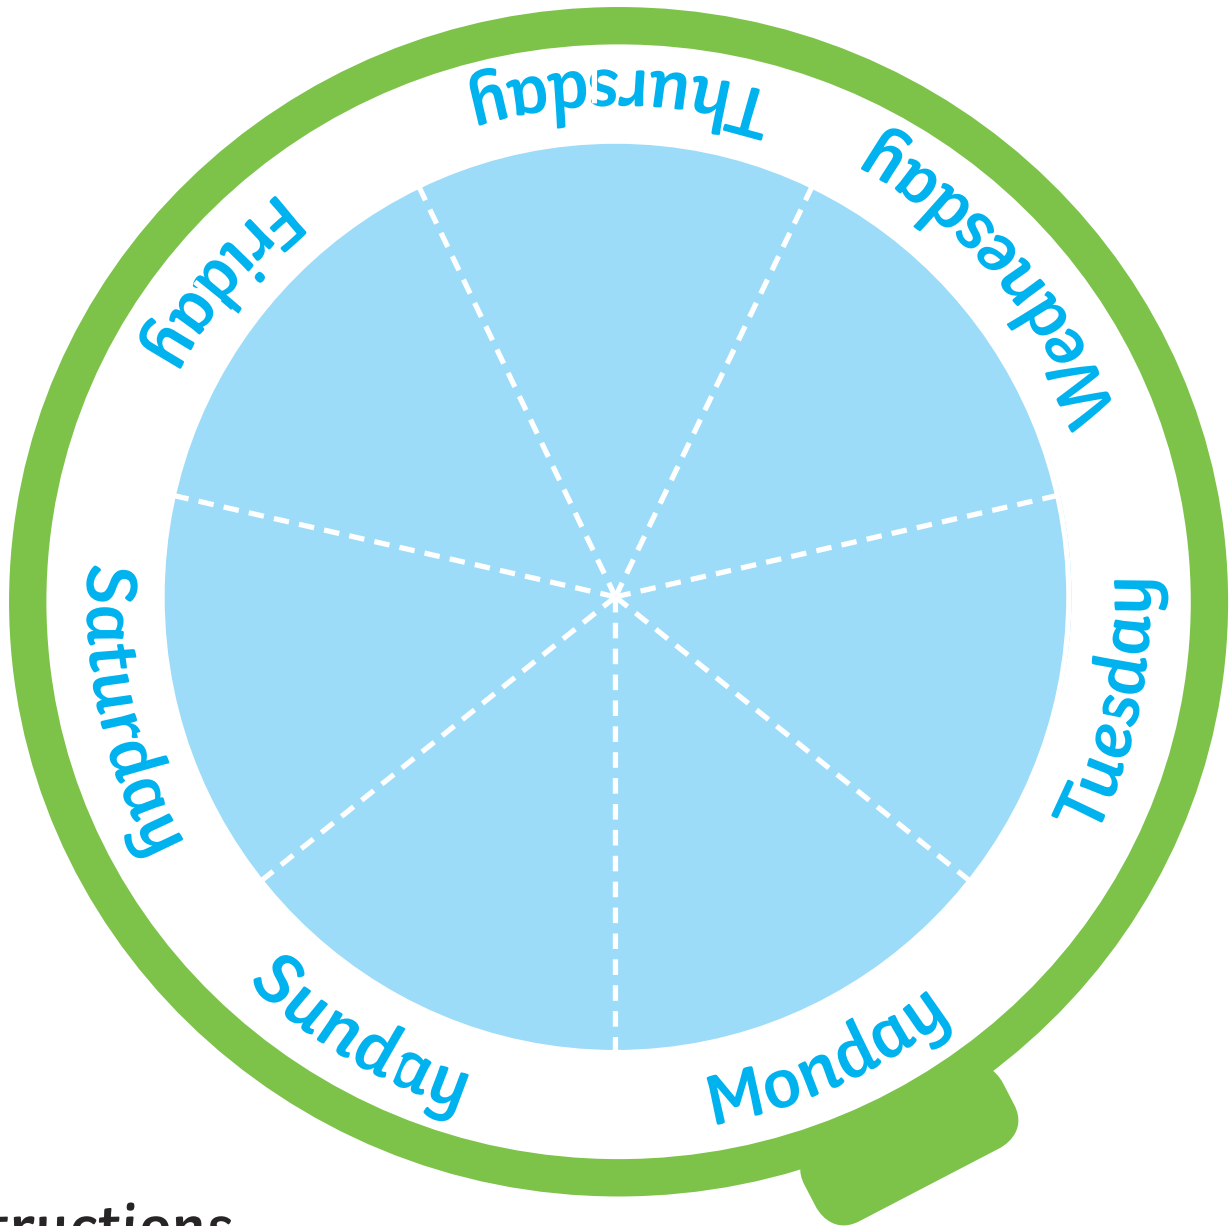

Monday

Instructions

1. Make sure you print both pages

2. Once printed cut out the top wheel (above).

3. Use something sharp to piece a hole in the centre of the top wheel and through the dot on the background. Get an adult to help with this and use sticky tack to protect fingers and surfaces whilst piercing the hole.

4. Use a split pin to fasten the top wheel to the background.

Print on card and laminate to help it last!
