

Dear Year 4,

So, another week has gone by and we are all really missing seeing you. We are sure that we will all enjoy getting back together when the lockdown does come to an end. The teachers have been phoning families over the last week for a catch up and it has been lovely to hear some of your voices. If you haven't heard from us yet then expect a call soon!

We have been really pleased to see that more and more of you are accessing Get Epic. It is a great resource with hundreds of fantastic books for you to explore. We will keep sending suggestions linked to our topics and other books that we think you will enjoy but remember you can browse and choose your own books too. This week our Get Epic class champions are Yedam in Y4F, Leo in Y4E and Frankie in Y4C who have spent the most time reading.

We have had a look at the Mathletics scores this week. Congratulations to Aleisha 4F, Leo in 4E and Maddison in Y4C who have achieved the most points this week. We will add homework tasks each week linked to what we were going to be learning about in class. The work on our school website will also help to keep your brains working and help you to be ready for when we do return to school.

Of course, it's still really important to do other things too. Have a look at the website for the charity Save the Children <https://www.savethechildren.org.uk/what-we-do/coronavirus-information-advice/keeping-kids-entertained-during-lockdown>. It has lots of good ideas for things to do to keep yourself busy. Cooking and baking are great ways to cheer yourself and the rest of the family up as well as being a way to learn about food and measuring as well.

Enjoy your weekend and stay fit and healthy!!!

See you all soon!!!!

From Mr Farooqi, Mr Edwards and Mr Cook
