Operating under licence from La Jolie Ronde Number: 5482

**Extra-curricular French and Spanish classes run by Jesmond Languages**

Dear Parents/Carers

In addition to half an hour curriculum Spanish from year 3 upwards, a number of lunchtime and after school classes in French and Spanish start in the second week of term. Please refer to the timetable also attached to see when these are taking place. There are some spaces available should you be interested in sending your child for a free taster session. If not, your child's name will be placed on a waiting list and I will contact you when a place comes up. Reception classes start after half-term. More details to follow.

The La Jolie Ronde programme is a very successful one, established for over 30 years and used up and down the country, winning the national award 'Best activity for 5-12 year olds' for the third consecutive year last year and nominated again this year. The approach is both fun and structured with children practising what they have learnt and building on this through games, songs, action chants and stories. The lesson itself is mainly oral and aural based (though written work is included gradually as the children get older) and language learnt can be consolidated at home with the accompanying book and CD. Songs are a particularly strong part of the course and singing along in the car is a really effective way to do 'homework'!

The cost of classes after the initial free taster session is £4.50 up to £6 depending on the length of the class, payable for the remainder of the term in advance and book/CD cost £15, lasting for at least one school year. **Please contact me by email or phone if you would like your child to come for a free taster session.** All La Jolie Ronde tutors are of course DBS cleared. Due to the popularity of French for Reception and year 1, an additional class runs at the library on St George's Terrace on Wednesdays 4-4.30pm

I am happy to answer any questions you may have by email or phone.

With thanks

Ruth Gibson
