

¡Hola a todos!

I hope that you are having a good week. I am missing you all lots and I hope that you are keeping safe and well.

In these updates so far, you have met my son, Evan and my daughter, Anna. Well, below are two other family members who you haven't met yet!

Tengo un perro.
Se llama Maisy.
Tiene tres años.

Tengo un gato.
Se llama Chloe.
Tiene once años.

¿Tienes un animal? Do you have a pet?

You could practise saying what pet you have using:

Tengo..... I have..... (Remember our rhyme last week was called Tengo, tengo, tengo!
I have, I have, I have!)

Se llama.....He/ she is called.....

Tiene.....años He/ she isyears old. (Remember in Spanish we literally say he/she has (three) years.

If you don't have an animal, you could say what animal you would like to have:

Me gustaría tener..... I would like to have.....

E.g. **Me gustaría tener** un cocodrilo - **I would like to have** a crocodile.

What other terrifying animals would you like to have at home?!

You can revise your words for pets by playing games on the below link:

After you have revised your animal words, you could also watch this short funny video clip which revises animals and descriptions:

I hope that you have a lovely week!

iHasta pronto!
