

Christmas Fundraising Project

Dear Parents and Carers

This year we are pleased to announce that our school is raising money by taking part in the **RUDOLPH CARDS** Christmas Fundraising Project. The children have been busily creating their festive designs which can be printed onto cards, mugs, coasters, placemats, mouse mats and teddies.

Examples of how the personalised items will look are shown here, only the cards will have name, class, and school printed on them...

With every item ordered the school receives commission, so not only is this a lovely personal way to send festive wishes and celebrate your child's artistic efforts, it is also a great way to help raise funds for the school, raising over £1,000 last year with your support.

Please find enclosed your child's fabulous festive artwork together with an Order/Consent Form which must be signed in order to meet General Data Protection Regulation.

All you need to do is complete your Form in full, make payment on Sims Agora and return your completed Form and child's artwork, stapled together, to the school office by Friday 19th October. Please use the named envelope provided and **DO NOT FOLD YOUR CHILD'S ARTWORK**.

You will not receive a sample card this year so please make sure that all details are clear and correct and that orders are made on the correct child's account in the 'online shop' section of Sims Agora as mistakes made at the ordering stage cannot be refunded.

Orders placed after **FRIDAY 19TH OCTOBER** will not be processed so please don't leave it to the last minute as we have been experiencing some difficulties with Sims recently which may result in delays and we don't want anyone to miss out!

Thank you in anticipation of your support with this Fundraiser and we hope that you enjoy your child's design.
