

Dear Year 6,

We have some reminders for you this week.

1. Don't forget to complete your yearbook form and drawing (this drawing can be in colour).

You should have received this either by post or via parent mail. Remember to fill this in with as much detail as possible and this can be either typed or written by hand.

Please return your completed form by Friday 29th May

Either:

- by hand to school in the post box for the rainbows outside of the after school club gates
- by post to the school office
- by email to ksmith@westjesmond.newcastle.sch.uk

We have already received some brilliant entries - keep them coming!

2. Please remind your parents to complete the exit form and return this by post. This will help us to send information to your new school.

Whiterose Maths

At school we follow the white rose scheme of Maths and they have produced weekly live lessons as well as activities and tasks to support learning at home.

Summer Term: Week 4 (W/C 11th May)

- Week 4 video links.pdf
- Lesson 1 Multiply fractions by int...
- Lesson 2 Multiply fractions by fr...
- Lesson 3 Divide fractions by inte...
- Lesson 4 Fractions of an amoun...
- Lesson 1 Answers Multiply fracti...
- Lesson 2 Answers Multiply fracti...
- Lesson 3 Answers Divide fractio...
- Lesson 4 Answers Fractions of a...

There are also new White Rose maths resources on the school website. We will update these weekly, on a Friday, ready for the next week. There are video links, worksheets and answers for you to access at home. This week it is revision of fractions.

3. This week you would have been completing your SATs but unfortunately you have not been able to do this. As your teachers, we are so proud of the work and effort you have put in to this year and wanted to share a poem with you. If you haven't already seen it, check it out in the video tab on the school website.

Take care and we you and your families stay safe

Mr McGrath, Miss Ward and Miss Smith.
