

## HUMANITIES

This term we are exploring, Concept, Location and Place. Looking at counties and cities of the UK, geographical regions and their identifying human and physical characteristics. Our Big question is "Where would you choose to go on a "Staycation"?"

## SCIENCE

This term we are focussing on our understanding of how to work scientifically by asking and answering questions, making careful observations, setting up simple tests where possible, and using relevant scientific language. Our topic will be "Humans and other Animals".

## MATHS

This term we will be focussing on Multiplication and Division, ensuring opportunities for recap. Throughout the year, we will also be working on our times tables, focussing on: 2s, 5s, 10s, 3s, 4s and 6s. This will support our Mental Maths practice.

## ENGLISH

This term we will be writing diary entries and instructions using the book: 'Katie Morag's Island Stories' as a focus. We will also be working on sentence construction and up-levelling. In addition we will be focussing on our comprehension skills, emphasising understanding new language.
