

Dear Parents and Carers,

On Thursday 20th June our **International Evening** will be returning. A chance to share national dishes, take part in craft activities and enjoy music from across the globe. If you would like to be part of the organising team please email hello@westjesmond.newcastle.sch.uk This is always a fantastic event, celebrating our diversity!

Year 2 had the pleasure of working with colleagues from the RSPB this week; investigating 'wildlife' in close proximity to school. As their tweeted reply said to us: 'isn't it great when we take the time to see what wildlife is making its home alongside us!'

Don't forget our **Summer Fair is just around the corner** – make sure you keep the 30th June free in your diary.

Thank you to everyone that came along to **Wednesday evenings' parents consultation**. I hope you found the discussion with your child's teacher fruitful and informative. You now all know we love a survey monkey at West Jesmond so if you'd be willing to offer us some feedback about your experience of parents' evening it would be much appreciated: [parents evening feedback](#)

Year 2 will be sad to see their new found friends 'the chicks' leave today. It's such an important social event Mr Jones has it recorded in the whole school diary. The pictures with the children say it all – a wonderful opportunity to watch life come into being and flourish before their very eyes.

Our **Art Ambassadors** were busy this week supporting Art Ambassadors from Archibald First School in Gosforth. It was a pleasure to share our expertise with them.
