

1. Look out your window or around your room and write down 10 common nouns. Now write a sentence for each one and don't forget to include an adjective	2. Read a book and write a review recommending it to a friend.	3. Look at your home school reading diary. Can you practise writing 5 words from the spelling list using the correct handwriting joins.	4. Choose your favourite rainforest animal and write your own fact-file. Here are some subheadings to help you. Name, habitat, diet, appearance, fun facts. Try to include some super scientific words like herbivore or mammal. Don't forget to include a detailed drawing	5. Can you write down the name of the four countries that make up the United Kingdom? Can you remember the capital city for each one and draw a famous landmark for each.	6. Can you write a recount of your day yesterday using time connectives: first, then, next, after that, finally.
7. Imagine an alien has landed outside your house. Can you describe a tropical rainforest to them explaining what and where it is?	8. Write out the alphabet in lowercase. Now can you write it out again but in uppercase (capital letters). Now circle all the vowels.	9. Split your page in 4 equal parts. Draw a picture of each season in each part. Remember to include animals you might see and include a picture of yourself (draw what you would wear in that season or an activity you would do).	10. Write down the days of the week in order. Can you write a sentence for each day? Don't forget capital letters	11. Write down the months of the year in order. Can you match months to a season and write a sentence including each month?	12. How many words can you make out of the word EXPLORER?
13. Create your own super explorer. What would they wear (think about what materials their clothes would be made of)? Where would they travel- can you name all the continents? What would they see e.g. landmarks, animals etc.?	14. Read your favourite book and draw a picture of the main character. Label it using adjectives thinking about what they are like on the inside e.g. brave, as well as what they look like on the outside e.g. emerald green eyes.	15. How many parts of the human body can you label? Can you write a sentence explaining what it does e.g. ankle.	16. Look at this picture. Write as many descriptive sentences as you can. Try to start each sentence differently and as an extra challenge try to include an adjective or simile. See image number 16	17. Look at this picture. How many questions can you write? Don't forget capital letters and question marks. Remember to start each one with the correct sentence stem e.g. who, why, what, when. See image number 17	18. Look at this picture. What do you think has happened? What do you think the character should do next? Where was the plane going, or coming from? See image number 18
19. Build a reading den and read a book inside	20. Design a new front cover for your favourite book.	21. Draw a comic strip for the plot of a story you have read. Can you use speech bubbles to help tell the story?	22. Read to your pet or favourite toy. Try to read with expression.	23. Write a letter to your favourite author.	24. "Miss Byatt stared in disbelief as it rose slowly from the dark, blue water." Draw a picture of what Miss Byatt could see.
25. Write 5 questions you would like to ask a character in a book.	26. Read a book that someone else has chosen for you.	27. Write 10 sentences using the following connectives: and, so, but, because	28. Write 5 facts about the Great Fire of London. Draw a picture to show what happened.	29. Draw a map showing your route to school. Add a simple key.	30. Draw 5 animals that live in the Amazon rainforest. Can you write next to each what layer of the rainforest they live in and what they are classified as in science e.g. reptile, mammal, insect, amphibian or bird- what features does it have that made you know this?
