

Year 6 – Anglo Saxons

Task 1:

Use the information in the comic and your own research to draw a map of Anglo Saxon Britain, marking the counties and who lived there (i.e. 'Angles', 'West Saxons', etc.).

Task 2:

Research the mythical tale of King Arthur and make your own comic strip telling this story.

Task 3:

Using the second resource, draw the artefacts you can see on the page and write an explanation of how they were made. What materials were used? How have they been put together?

Task 4:

Write a newspaper report about Terry Herbert's discovery.
