

To all the children at West Jesmond Primary School.

We are writing to say hello and we hope you are all keeping safe and well. We hope that you enjoyed our art project, "A view from a window", and used your imagination in lots of exciting ways to do your picture.

We are very excited for the time when we all get back to school, and together, we get to see the "Secret Garden" and think about all the wonderful times we will spend there with our friends.

As we are now in the month of Ramadan, and our Muslim friends and families are thinking of when they can get back together to worship in their special place, the Mosque, do you think you could do a piece of writing about your special place? It doesn't have to be a place of worship but could be somewhere that you like to go as a family, maybe a holiday destination, a park, the beach or a special café. Why is it special to you, and how does it make you feel when you are there?

Have you tried anything new while you have been at home and had the time to experiment? Mrs Adair's sons have learnt how to juggle, it took lots of time and practise and she is very proud of their perseverance. It would be lovely if you could share some of your achievements on the school Facebook page.

Stay safe.
