

Calling all artists!

We need your help!

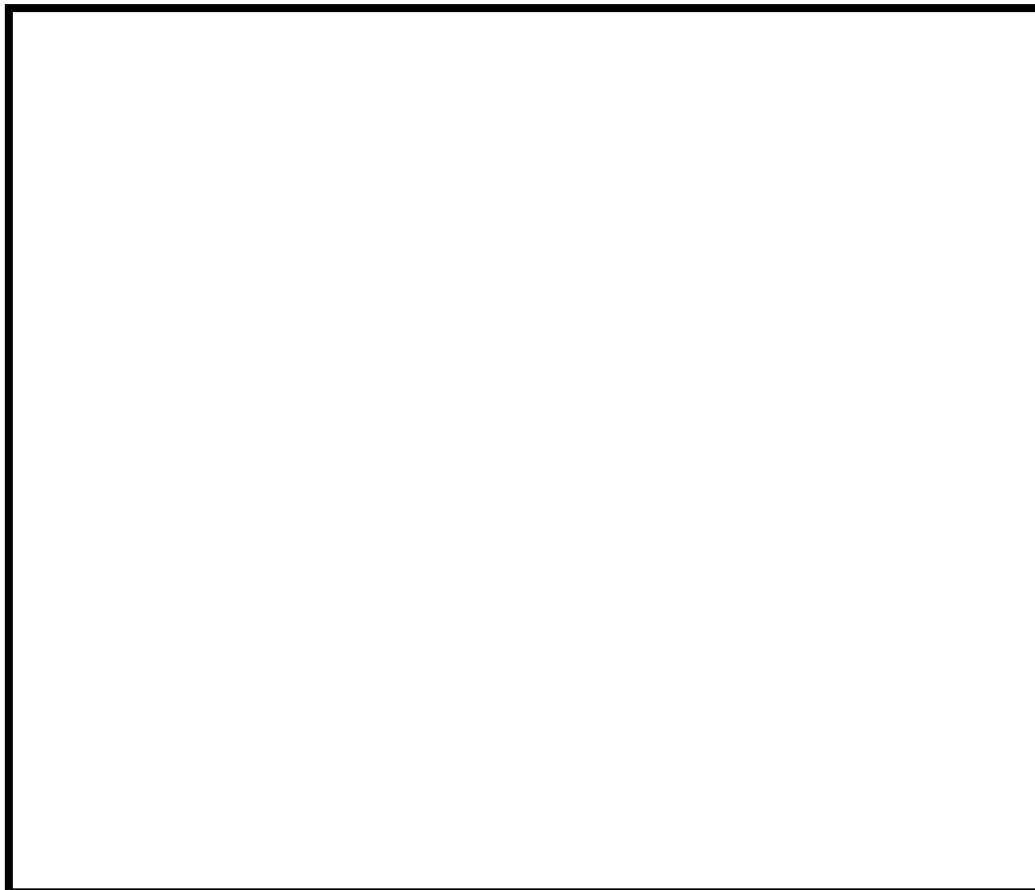

Thank you so much for all the yearbook entries we have had back so far. Don't forget we need it back to school by Friday 29th May.

As well as your amazing, individual pictures we would like to decorate the front of the yearbook and some of the inside with your art work. If you would like to be involved, please draw and colour us another picture of anything that reminds you of school. This could be the school logo, stationery, memories, games, lessons, bubble writing. Anything at all. Feel free to complete more than one if you wish to.

Please use the box below and either email back to ksmith@westjesmond.newcastle.sch.uk or pop them in the box attached to the school railings at the Year 5/6 gates also by 29th May.

Thank you!

Name: _____

A large, empty rectangular box with a thick black border, intended for students to draw or color their artwork.
