

Dear Year 4,

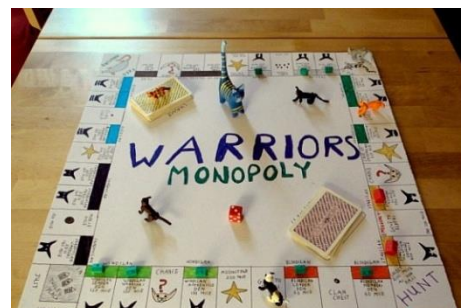

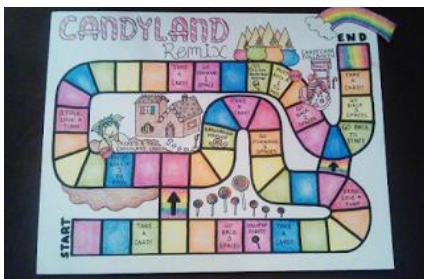

We hope you've all been keeping happy and healthy over the last week. It's been a long time since we've seen each other and we hope one of our members of staff have been in touch. We love finding out what you've been getting up to! Some of you are trying new things, which is fantastic to hear!

During this time, we would like you to continue to (or find) a book that really interests you. There is such a broad variety of material to read, we hope you start to find a genre of book that 'takes you away to far away places'. Mr Edwards enjoys books in a fictional world, full of mythical creatures and heroic quests!

Well done to this week's Mathletics champions: Maiya (Y4F), George (Y4E) and Maisie (Y4C). Keep going with Mathletics! We're very proud of you for working so hard!

Maiya (Y4F), Vivi (Y4E) and Rahaf (Y4C) have been continuing to enjoying lots of books available to read on Get Epic! Remember you can explore books on Epic, maybe complete a journal entry for a book you've read?

If you are wanting to try something new, then how about designing your own board game? Take a look at some board games at home (if you have some) and maybe tinker with the design or function of them? Below are a couple of pictures of adapted games! You could even design a brand new game, from the ground up!

Stay strong Year 4, we are so proud of you all! Keep positive, we will see each other again!

From Mr Edwards, Mr Cook and Mr Farooqi.
