

Dear Reception,

How are you? It feels like such a long time since we have seen so many of you. We just wanted to let you know that all of the teachers are so proud of how you, and your families, are coping in this difficult time. It is really tricky to be away from our Reception classes and all of the friendly faces we see at school, but you are managing so well - you are truly wonderful.

The weather has been really rotten recently, and such a change from the beautiful sunshine we had to keep us feeling happy. We hope that in this time you are still finding time to get out and enjoy some time outside and the opportunity to run off some steam.

With this in mind, we were recently thinking about all of the Jolly Jogging we did at school together. We remember how brilliant you all were at trying to keep going during each run, and adding an extra lap onto your route each week.

So, your mission (should you choose to accept it!), is to go for a walk/run/jog/cycle and send us the distance you manage to cover. I wonder if between all of us (teachers included!) we could travel 100 miles? Wouldn't that be amazing!

You could send us a picture on Tapestry, or send us a screen shot if you record your route on an app. Perhaps you could try and do it each day in the week and calculate your total? How many miles could you manage between Monday and Friday I wonder?!

We miss you and send you lots and lots of love, Miss Thompson, Mrs Sanderson, Miss MacKellar, Miss Stenhouse, Mrs S., Mrs Stevens, Miss Bain and Miss Glenn xxxxxx
